[LinkedIn/Rushita-Doradla](#)

## EDUCATION

<b>Bachelor of Technology In Computer Science &amp; Engineering</b> SRM UNIVERSITY AP Coursework: Object-Oriented Programming, Data Structures & Algorithms, Machine Learning, Discrete Math	<b>Oct 2022 - Jun 2026</b> CGPA: 7.54
<b>INTERMEDIATE(Upper Secondary Education)</b> SRI SRINIVASA GRAVITY Coursework: Maths,Physics,Chemistry	<b>Jul 2020 - Jun 2022</b> CGPA: 8.60

## PROJECTS

### Math-Solver | Object Oriented Programming, C++

- A comprehensive mathematical toolkit, this project offers solutions through a console-based app providing a robust and efficient resource for 20+ mathematical tasks
- it includes 80% of all mathematical problems like basic calculations, matrix and vector operations, polynomial manipulations, complex number computations, mensuration, and equation solving

### Personal Portfolio | HTML, CSS, JavaScript

- Conceptualized and developed a responsive personal portfolio showcasing technical prowess and creative solving skills.
- Utilized a diverse range of technologies, including HTML, CSS JavaScript, to build a robust website
- Garnered positive feedback and recognition from 10+ professionals for the portfolio's innovative design and seamless functionality.

## SKILLS

- C/C++
- Python
- HTML/CSS
- JavaScript
- Designing
- Data structures & Algorithms
- SQL
- WEB Development

## RESPONSIBILITIES

<b>Member   Coding Club</b> SRM UNIVERSITY AP • Participated in many 10+ competitions & events	<b>Sep 2023 - Present</b>
<b>Member   Social Innovation Club</b> SRM UNIVERSITY AP • Participated in many 10+ events & webinars	<b>Sep 2023 - Present</b>

## ADDITIONAL INFORMATION

- **Languages:** English, Hindi, Telugu
- **Certifications:** NPTEL(Joy Of Computing Using Python)
- **Learning New Technologies:**Very interested in learning new things
